*This resource was compiled by Autumn Gupta with Bryanna Wallace's oversight for the purpose of providing a starting place for individuals trying to become better allies.*

Choose how much time you have each day to become more informed as step one to becoming an active ally to the black community. On this document are links to the learning resources and a schedule of what to do each day. Click on the following to jump directly to that info:

## 10 Minutes/Day

Over the course of the month, you will have spent 5 hours intentionally learning how to be an active ally of the black community. (That's less than the amount of time it takes to watch all of Tiger King ~ 5.5 hours.)

Remember, the black community lives the reality of the information you will learn- they have a lifetime of fearing for their well being versus 5 hours of you being uncomfortable. All the action items listed in the calendar have linked information below the weekly schedule (see sections Watch, Read, Listen, and Act).

## 25 Minutes/Day

Over the course of the month, you will have spent 12.5 hours intentionally learning how to be an active ally of the black community. (That’s less than the amount of time it takes to watch Season 24 of the Bachelor in 2020 ~ 18 hours.) Remember, the black community *lives the reality* of the information you will learn- they have a lifetime of fearing for their well being versus you being uncomfortable for half a day. All the action items listed in the calendar have linked information below the weekly schedule (see sections Watch, Read, Listen, and Act).

## Act

- Help reallocate city budgets by defunding the police. The following link leads to Defund12.org which generates an email template pre-populated with elected officials emails. Simply fill in some of your information and the body of the message (advocating for defunding the police in that city) is automatically filled in for you. [Automatic Email Template Link](#)
- Register to vote! If you are serious about real change, your individual vote does matter. Use [this link](#) to register to vote, check your registration, vote by mail, get election reminders, pledge to register if you are <18, find the nearest polling place, and fill out your 2020 census form. Take today's action a step further by sharing this link with friends and planning time into your schedule to vote in the closest upcoming election - city, state, or national. (Thanks to Pamela Duncan for this suggestion!)
- Google whether your city or town currently employs evidence-based police de-escalation training. The racial make-up of your town doesn't matter — This needs to be standard everywhere. Write to your city or town government representative and police chief and advocate for it. Multiply your voice by soliciting others to advocate as well, writing on social media about it, writing op-eds, etc.

- If you or a friend is an educator, buy said friend books that feature POC as protagonists and heroes, no matter the racial make-up of the class. A few good lists are [here](#), [here](#), [here](#), [here](#), [here](#), [here](#), and [here](#). And/or purchase educational toys that feature POC, such as [finger puppets](#), [Black History Flashcards](#), etc for their classroom. Use these items year-round, not just in February. The racial make-up of students doesn't matter — kids of every race need to know American history and be exposed to people from different races, religions, and countries. If the friend is interested, buy them for your pal's classroom. Don't be shy to ask Facebook friends that you haven't actually talked to in ten years.
